

We move the digital transformation. With you?

UTA Edenred ensures **professional mobility throughout Europe**. It is important to us that you want to make a difference! We are looking for a full-time position as of now:

Project Manager Technology EMEA (all genders)

Your tasks:

- You're taking charge of managing international tech projects across Mobility EMEA
- Stakeholders and senior management are kept informed by you through regular updates
- You're identifying risks and taking proactive steps to mitigate them
- Transformation strategies are developed and implemented by you
- You're leading interdisciplinary teams to deliver successful change initiatives

Your profile:

- A Bachelor's Degree in Computer Science, IT, Engineering, Business Administration, or a comparable qualification is part of your background
- You have solid experience in project management, ideally within the technology field
- Mastery of project management methodologies (e.g., Agile, Scrum) and tools (e.g., Microsoft Project, Jira) is one of your strengths
- You manage multiple projects with ease, using empathy and intercultural communication skills
- You're fluent in English
