

We move the digital transformation. With you?

UTA Edenred ensures **professional mobility throughout Europe**. It is important to us that you want to make a difference! We are looking for a full-time position in Kleinostheim near Aschaffenburg as of now:

Team Leader IT Services (all genders)

Your tasks:

- You lead the Acquiring & Authorization IT team and IT Toll Services team, ensuring smooth operations and collaboration
- As the main point of contact for business units, you ensure clear communication and alignment
- You collaborate with Product and Partnership Management teams in Fuels and Toll to achieve business goals
- You work with cross-functional teams to develop innovative solutions that drive progress
- You manage service provider relationships, ensuring high-quality service and successful partnerships

Your profile:

- You hold a Bachelor's degree in Computer Science, IT, Engineering, or Business Administration (or equivalent) and bring at least 5 years of international experience
- Demonstrating strong leadership ambitions is your strength - setting clear objectives, inspiring teams, and aligning business with IT goals
- Proven project management expertise in both classical and agile frameworks
- Familiarity with tolling environments (e.g., road tolling, registration systems) is a plus
- An understanding of payment transactions and associated protocols (e.g., ISO 8583, IFSF) is considered a valuable plus
