

We develop products and services that make many things easier. And you?

UTA Edenred ensures **professional mobility throughout Europe**. It is important to us that you want to make a difference! We are looking for a full-time position as of now:

Product Manager (all genders)

Your responsibilities:

- You will drive the product vision and roadmap for your area within Edenred Mobility
- Leading the product lifecycle from ideation to launch, you will prioritize for maximum impact and efficiency
- Collaboration with tech, design, sales, finance, and customer excellence teams will be key to your success
- By conducting research and analyzing data, you'll continuously improve the product based on user needs
- Taking ownership of outcomes, you'll communicate progress and foster a positive team culture

Your profile:

- A Master's or Bachelor's degree in Business, Engineering, or IT supports your expertise
- With 3-5 years of product management experience, you've thrived in a tech-driven environment
- Proficiency in Agile frameworks and tools like Atlassian, Figma, Jira, and Confluence is key
- Strong strategic thinking, product design, and lifecycle management are your strengths
- Communication and collaboration come naturally to you, along with a hands-on, agile mindset
