# UTA Edenred signs exclusivity agreement with AOIL for new Girona service facility

- **UTA Card becomes the only fuel card accepted at the station**
- **UTA Edenred customers enjoy special conditions for fuelling and services**
- **AOIL station conveniently located at exit 4 of the AP-7 motorway**

**Kleinostheim, Germany** – [UTA Edenred](#), a leading mobility service provider in Europe and an Edenred company, has signed a distribution agreement with AOIL through which its UTA Card has become the only fuel card accepted at the all-new **AOIL Service Area** in Borrassá (Girona), Spain.

UTA Edenred customers can use their cards to settle Diesel and AdBlue transactions and benefit from special conditions. The station also offers a wide range of on-site services, including a cafeteria, showers, toilets and shop. The exclusivity agreement is identified by the incorporation of UTA Edenred's logo on the station's canopy and information pole.

Designed to provide comfort, safety and efficiency to transportation and logistics companies, the AOIL station is strategically located at kilometre 747 of the Spanish Carretera Nacional II, a key route for European road transport, and close to exit 4 of the AP7. The facility incorporates state-of-the-art fuel pumps with 24-hour self-service and 40 parking spaces for heavy vehicles. Additional station services and amenities will be launched soon.

**Lukas Schneider, Commercial Director EMEA at UTA Edenred, says:** "Thanks to the exclusive partnership with AOIL, UTA Edenred customers benefit from access to a station with the highest level of service and comfort. This is yet another expression of our commitment to offering our customers the best possible service package on their tour."

**Alfonso Díaz, Director Commercial Road Transportation Southern Europe at UTA Edenred, says:** "Through our agreement with AOIL, we're able to provide hard-working transportation drivers with even more convenience, efficiency and quality service on their journeys through Spain."

**Toni Ruano, AOIL station Manager, says:** "The collaboration with UTA Edenred allows us to serve hauliers who rely on UTA's acceptance network and offer them a well-located stop for fuel, services and rest."
