08 April 2025

# UTA Edenred continues European roll-out of its UTA eCharge<sup>®</sup> charging solution

- **Public charging via the UTA network is now available for customers in the Benelux, France, Italy, Spain and Poland**
- **Roll-out to other countries will follow in the coming months**
- **Charging capabilities available for all vehicle classes; 360° charging solution including home, workplace and depot charging already active in Germany and Austria and in development for other countries**

**Kleinostheim, Germany** – [UTA Edenred](#), a leading mobility service provider in Europe and an Edenred company, has expanded its public charging capability for electric and hybrid vehicles. In addition to Germany and Austria, the UTA eCharge<sup>®</sup> charging solution is now available for customers in Belgium, the Netherlands, Luxembourg, France, Italy, Spain and Poland. It provides access to UTA Edenred's network of over 880,000 public charging points in 28 countries, including 300 truck-compatible charging points and Milence fast-charging stations.

The roll-out of UTA eCharge for public charging in other countries is planned for the coming months.

**Pierre Jalady, General Manager Edenred Mobility EMEA and CEO of UTA Edenred, says:** "UTA eCharge provides customers with an efficient solution for electrification and makes their journey towards a sustainable fleet easier. I'm delighted that with this roll-out, even more of our customers will benefit."

UTA eCharge provides a comprehensive 360° solution for electric fleet requirements. UTA eCharge and the UTA eCard charging card or the UTA eCharge app can be used to charge vehicles of all classes, from cars to vans and HGVs. UTA eCharge covers all charging scenarios, including public charging, driver homes (home charging), corporate car parks (workplace charging) and company premises (depot charging).

Full UTA eCharge 360° charging capabilities can already be accessed by customers in Germany and Austria. In the additional countries announced today, home, workplace and depot charging will be made available during the year.

**UNION TANK Eckstein GmbH & Co. KG (UTA Edenred)** is a leading European mobility service provider. With UTA Edenred acceptance media, commercial fleet operators of all sizes can access more than 89,000 acceptance points in 40 countries. They can enjoy benefits such as cash-free access to conventional and alternative fuels independent of brand; a comprehensive EV charging offer with a rapidly growing charging network for electric and hybrid vehicles; electronic toll settlement in 27 European countries; vehicle services such as breakdown, towing, repair, and cleaning; and VAT and fuel tax refunds through UTA Edenred's service provider partner. In addition, through UTA Edenred's digital platform, customers can access state-of-the-art software for fuel planning, fleet management and telematics as well as a digital fuel card for fast, convenient handling of refuelling via smartphone.

In 2024 - for the fourth year running - UTA Edenred was voted "Best fuel card service provider for SMEs" (ranking by WirtschaftsWoche magazine/ServiceValue) and received the German B2B Award from the German Society for Consumer Studies. Founded in 1963 by Heinrich Eckstein, UTA Edenred is today part of Edenred SE.
