

We develop products and services that make many things easier. And you?

UTA Edenred ensures **professional mobility throughout Europe**. It is important to us that you want to make a difference! We are looking for a full-time position as of now:

Head of Product (all genders)

Your responsibilities:

- Define and steer the product vision, strategy, and roadmap, ensuring alignment with business objectives and market opportunities
- Build, lead, and empower a high-performing Product team, fostering collaboration, innovation, and growth
- Oversee the delivery of new products and enhancements, maintaining high standards in quality, timing, and budget while driving business growth
- Coordinate product priorities, migrations, and strategic initiatives across business units and project streams to ensure operational excellence
- Act as a product ambassador, representing the company internally and externally, and strengthening the product culture

Your profile:

- Bring solid experience in leading product organizations, combining deep product management expertise with the ability to build, grow, and inspire high-performing teams
- Demonstrate a proven track record in the technology or payment industry, with a sharp sense for market trends and customer needs
- Own the product vision end-to-end - from strategy to delivery and continuous improvement
- Combine business acumen with a digital mindset to turn complex ideas into scalable product solutions
- Thrive in dynamic, multi-cultural environments, confidently managing product priorities and delivery across international, cross-functional teams
