

**Press release**

16 July 2024

# UTA One® next toll box now supports the Slovakian toll system

- **UTA One® next is the most comprehensive EETS toll solution on the market, encompassing 18 toll contexts in 16 countries**
- **Support for additional toll contexts in development**

**Kleinostheim, Germany** – [UTA Edenred](#), a leading mobility service provider in Europe and an Edenred company, has extended its interoperable UTA One® next toll box to Slovakia. The 4G-compatible on-board unit (OBU) for the European Electronic Toll Service (EETS) now covers 18 toll contexts in 16 European countries.

UTA Edenred customers can activate the Slovakian toll context in the UTA Service Center. It will then be installed as an over-the-air update on the OBU.

**Olaf Schneider, Director Tolls & Business Services at UTA Edenred, says:** "UTA One next is a smart solution for the fast and efficient processing of tolls in Europe. We're constantly expanding its features and capabilities and adding new toll contexts to make customers' mobility even easier."

With 18 toll contexts in 16 countries, UTA One next is the most comprehensive EETS solution on the market. In addition to tolls in Slovakia, UTA One next also supports toll systems in Belgium (including Liefkenshoektunnel), Germany, France, Italy (including Caronte ferries), Austria, Poland (A4, Katowice - Krakow and e-TOLL route network), Hungary, Bulgaria, Portugal, Spain, Norway (including ferries, bridges, tunnels and motorways), Sweden (bridges and ferries), Denmark (bridges and ferries) and Switzerland (including Liechtenstein). Additional support for the toll systems in Slovenia, Croatia, Czech Republic and Denmark (road network) is in development.

UTA One next can be used in vehicles weighing 3.5 tonnes or more. This makes the OBU ideal for international companies affected by the German toll extension to vehicles over 3.5 tonnes that was introduced on 1 July.

**UNION TANK Eckstein GmbH & Co. KG (UTA Edenred)** is a leading European mobility service provider. With UTA Edenred acceptance media, commercial fleet operators of all sizes can access more than 83,000 acceptance points in 40 countries. They can enjoy benefits such as cash-free access to conventional and alternative fuels independent of brand; a rapidly growing charging network for electric and hybrid vehicles; electronic toll settlement in 27 European countries; vehicle services such as breakdown, towing, repair, and cleaning; and VAT and fuel tax refunds through UTA Edenred's service provider partner. In addition, through UTA Edenred's digital platform, customers can access state-of-the-art software for fuel planning, fleet management and telematics as well as a digital fuel card for fast, convenient handling of refuelling via smartphone.

In 2024 - for the fourth year running - UTA Edenred was voted "Best fuel card service provider for SMEs" (ranking by WirtschaftsWoche magazine/ServiceValue) and received the German B2B Award from the German Society for Consumer Studies. Founded in 1963 by Heinrich Eckstein, UTA Edenred is today part of Edenred SE.

**Edenred** is a leading digital platform for services and payments and the everyday companion for people at work, connecting 60 million users and 2 million partner merchants in 45 countries via close to 1 million corporate clients. Edenred offers specific-purpose payment solutions for food (such as meal benefits), incentives (such as gift cards, employee engagement platforms), mobility (such as multi-energy, maintenance, toll, parking and commuter solutions) and corporate payments (such as virtual cards).

True to the Group's purpose, "Enrich connections. For good.", these solutions enhance users' well-being and purchasing power. They improve companies' attractiveness and efficiency, and vitalize the employment market and the local economy. They also foster access to healthier food, more environmentally friendly products and sustainable mobility.

Edenred's 12,000 employees are committed to making the world of work a connected ecosystem that is safer, more efficient and more responsible every day.

In 2023, thanks to its global technology assets, the Group managed €41 billion in business volume, primarily carried out via mobile applications, online platforms and cards.

Edenred is listed on the Euronext Paris stock exchange and included in the following indices: CAC 40, CAC 40 ESG, CAC Large 60, Euronext 100, Euronext Tech Leaders, FTSE4Good and MSCI Europe.
