

We develop products and services that make many things easier. And you?

UTA Edenred ensures **professional mobility throughout Europe**. It is important to us that you want to make a difference! We are looking for a full-time position as of now:

Product Manager (all genders) - Common Platform

Your responsibilities:

- Drive the product vision and strategy for Edenred's European transactions, invoicing, and pricing solutions, ensuring alignment with business objectives
- Design and manage the Tribe's product roadmap, owning the full product lifecycle from ideation to release and iteration
- Collaborate effectively with internal stakeholders (Engineering, Finance, Customer Excellence, Sales) to deliver high-quality, cost-efficient product solutions
- Conduct market and user research to identify opportunities, prioritize features, and ensure products meet user and customer needs
- Monitor results through data analysis and user feedback, communicate milestones across the organization, and foster collaboration within the cross-European product organization

Your profile:

- Bachelor's or Master's degree in Business Administration, Industrial Engineering, or Information Technology with proven product management experience in innovative, tech-driven environments
- Strong proficiency in agile product management, product strategy, prioritization, go-to-market practices, and tools such as Atlassian Suite, Figma, Jira, and Confluence
- Demonstrated ability to manage products across the lifecycle with strategic thinking, product discovery, design, and replatforming experience
- Excellent communication, collaboration, and leadership skills, with a positive, hands-on mindset and readiness for transformation
- Data-driven mindset, agile way of working, readiness for Transformation
- Fluent in English and German (other European languages are an advantage)
